Sahil Singh

B.Tech CSE Final Year (2027) | Aspiring MERN Stack Developer

Gorakhpur, Uttar Pradesh, India | 8840786091 | ss0680050@gmail.com

LinkedIn | GitHub | Portfolio

Professional Summary

Final-year B.Tech Computer Science student graduating in 2027, interested in full-stack web development and building practical, user-friendly applications. Familiar with the MERN stack, frontend development, REST API integration, debugging, and version control. Seeking MERN Stack, Full-Stack Development, or Software Development internship and entry-level opportunities.

Technical Skills

Frontend: HTML, CSS, JavaScript, React.js
Backend: Node.js, Express.js, REST APIs
Databases: MongoDB, SQL
Programming: JavaScript, Python, C, C++
Tools: Git, GitHub, Visual Studio Code
Core Areas: MERN Stack, Database Design

Experience

UNLOX® *July 2026 – October 2026*
Web Developer Intern *Bengaluru, Karnataka, India*

- Developed **Unfazed**, a therapy-focused web application as part of the internship.
- Built a user-friendly, responsive interface to improve the overall user experience.
- Worked on full-stack web development using modern web technologies and the MERN stack.
- Implemented frontend components and integrated backend APIs to support application functionality.
- Gained hands-on experience in application development, debugging, and project implementation.

Internshala Trainings *June 2025 – July 2025*
Development Specialist – Python Programming Training

- Completed a practical four-week training program focused on Python programming and software development.
- Practiced Python data types, functions, file handling, modules, object-oriented programming, and basic data structures.
- Worked on mini-projects involving automation and data processing, strengthening logical thinking and problem-solving.

Projects

Unfazed | *Therapy-focused web application*
Developed during the UNLOX internship, focusing on a user-friendly interface, frontend components, and backend API integration.

Ecommerce Web | *E-commerce application*
Developed an e-commerce web project to present products and support a shopping-oriented user experience.

Task Notes Manager | *Task and notes management app*
Created an application concept for organizing tasks and notes in one place.

Personal Developer Portfolio | *Cinematic, interactive portfolio*
Showcases development skills and projects. Live: my-portfolio-nine-lilac-98.vercel.app

Education

Chaudhary Devi Lal University (CDLU), Sirsa
Bachelor of Technology (B.Tech), Computer Science *August 2023 – June 2027*

Certifications

- Internship in Web Development
- 3-Hour Workshop Certificate – Python
- Tata – GenAI Powered Data Analytics Job Simulation
